

What people have to say...

Thank you very much for an amazing weekend. Our daughter is already asking if we can go next year..

Oonagh abd Danni

This was my first experience of Celebrate. I felt welcomed, comfortable, and thoroughly enjoyed the weekend.

Michelle

Celebrate is a wonderful opportunity to share the joy of being a disciple of the Lord Jesus in an atmosphere of prayer, worship and spiritual formation. I would encourage anyone to take part.

Rt. Rev. John Wilson, Auxiliary Bishop of Westminster

The Celebrate Conference was a marvelous experience. Seeing families come together, husbands and wives, often with children, to worship God and pray together, was a very heartening display of family unity ... it gave me hope for the future of our people.

Fr. Andrew White from Corner Brook who attended the Twickenham UK Conference in 2017

Workshops

On Saturday afternoon and Sunday morning we offer a selection of workshops and seminars many of which will be about using the gifts of the Spirit to help you "Seek first the Kingdom of God" which will include...

Your Sons and Daughters Will Prophecy: Gemma Wildsmith from the UK will present a session on Youth Ministry that explores the Lord's promise to pour out His Spirit on all people and this includes our children and youth.

Communication in Marriage and Family: Any relationship will die without communication. Learn helpful ideas and techniques to communicate with your spouse.

Who Am I? : Letting Christ Reveal My True Identity: We are sons and daughters of the living God. There is no greater gift than knowing Christ personally.

Praying as a Family: One of the most meaningful things parents can do is to teach the power of prayer and not just the routine.

The Word of God is Alive and Powerful: Discover a path full of mystery and adventure when you make the decision to open up the bible and read the Word of God.

Finding Joy in the Midst of Suffering: Learn how the Holy Spirit supports and strengthens us in the trials of life.

The Truth Will Set You Free: We are told that we are living in the era of "Post-truth". What does that mean for us as Christians who are called to live in the truth of Christ?

CELEBRATE FOR THE CHILDREN AND YOUTH Celebrate Weekends work well for families because everyone, whatever age, is able to fully take part. We all focus on the same theme and families can continue to share with each other after the conference. Your children will join a stream and engage with fun and faith filled activities appropriate to their age and development. There will be three streams for Grades: K-12.

Question: Is Celebrate just for families?

Answer: Celebrate is for everyone. Individuals will enjoy this experience. There is something for everyone at Celebrate—young, not so young and in-between!
